2016-12-20

1 On the 20th of December, 2016, "Holy Cow Communication Design" called 911 to report that a Peter MONETTE was spamming incoherent rants on Facebook pages. MONETTE making veiled threats and hinting suicide, child abuse, and other nonsensical rants on the pages. MONETTE also calling a past co worker a child abuser and molester. All posts were removed but wanted MONETTE spoken to and checked for his mental health. MONETTE very well known to police and the mental health industry on the island. Cst. LI attended and spoke with MONETTE. MONETTE suffers from schizophrenic affective disorder, but does not believe he has a problem other than ADHD. MONETTE not on medication for his schizophrenia. Cst. LI spoke with MONETTE who admitted to have posted the rantings on the pages and also told Cst. LI that he wanted everyone to know about these people and what they were doing. MONETTE had no intention of hurting them or himself and laughed when Cst. LI asked him. MONETTE spent most of the time showing Cst. LI his computer program that monitored radio frequencies in the area. MONETTE appears to be fixated on deciphering random frequencies from his computer program, but sometimes strays away from it on occasion to send out spam on social media or government emails. Insufficient grounds or evidence to apprehend MONETTE. Emergency mental health notified of situation. Mental Health Team advised that they are very concerned that MONETTE is still using Dexidrine at his age as it is a stimulant. It is unknown how MONETTE is getting the prescription and which doctor is prescribing it to him. At this point, emergency mental health are wanting more intelligence with MONETTE's access to Dexidrine. MONETTE receives his Dexidrine from the Shoppers Drug Mart located in Sidney via prescription from his now retired doctor. Information passed onto emergency mental health who will attempt to come up with a game plan for MONETTE.

Concluded here.

Sidney North Saanich RCMP File 2016-6915

ACCUSED: MONETTE, Peter Anthony DOB: 1984-Jan-25

PROPOSED CHARGES:

Count 1: Uttering Threats S. 264.1(1) CCC

Date of Offence: 2016-Dec-20

Jurisdiction: North Saanich, BC

HISTORY:

Since December 2016 Peter MONETTE has been the subject of several check wellbeing/mental health related complaints received from various police agencies throughout the Capital Regional District (CRD). Peter is said to suffer from Schizophrenia, however he denies having any mental health related disorders and reportedly refuses to take medication.

On August 30th, 2016 the Municipality of Central Saanich received a letter from Peter, which they turned over to the Central Saanich Police Service (CSPS). Peter's letter outlined some complaints about a neighbour, but was generally incoherent ranting which raised enough concern for the police to attend Peter's residence and check on him. The members were advised that Peter has been diagnosed with Schizophrenia, but refuses to take medication. Peter did not meet the threshold for a S.28 MHA apprehension. CSPS file #2016-3167 refers.

On December 3rd and 4th, 2016 the Victoria Police Department (VPD) received several e-mails from Peter stating he had been abused by past coworkers who had implanted hearing aids into his ear canals which were transmitting radio broadcasts to him against his will. Peter forwarded a link to a video he had taken of the inside of his ear with an endoscope he had purchased and was seeking assistance as he felt the Sidney/North Saanich RCMP had 'fucked up' and were not providing him with the assistance he was seeking.

On December 20th, 2016 the Sidney/North Saanich RCMP received a complaint about Peter's Facebook account. Peter was said to have been making veiled threats toward past coworkers and accusing them of being child molesters and child abusers. The Facebook posts had been removed, however Peter was spoken to about the matter and stated he had made the posts and wanted everyone to know what his past coworkers were doing. Peter did not meet the threshold for a S.28 MHA apprehension. Sidney/North Saanich RCMP file #2016-6891 refers.

On December 30th, 2016 the Sidney/North Saanich RCMP received a complaint that Peter had placed several video cameras on the exterior of his residence that appeared to have been pointed in the direction of some neighbours. Peter admitted to having an issue with one neighbour about emails he claimed to have intercepted

through their IP address, but denied that his cameras were directed toward them. Peter did not meet the threshold for a S.28 MHA apprehension. Sidney/North Saanich RCMP file #2016-7067 refers.

THREATS COMPLAINT:

On December 21st, 2016 a death threat through Facebook Messenger a long winded message from Peter stating that he was going to slash him with a razor blade and ranting about radio waves and frequencies. screen shots of the message which stated: "im goign to slash the livbing fuck out of his fat jiggling ass with a razr blade and dance onm his easily startled loser ass".

where the threat had stemmed from whether or not Peter knew where he lived or had the potential to be violent. not know Peter to be violent, but there was a level of unpredictability there due to Peter's apparent mental health issues combined with his drug use.

Peter's Facebook page as being quite concerning and detailed a video post of Peter partially nude, smoking what appeared to be methamphetamine and wearing some sort of diaper. it was possible Peter could have suffered from a drug induced psychosis.

At 1614hrs Cst. VAN BUUREN attended Peter's residence located at 8985 East Saanich Rd in North Saanich. Cst. VAN BUUREN was directed to the garage on the property which is where Peter resides.

Cst. VAN BUUREN knocked on the door to the garage and Peter answered the door. Cst. VAN BUUREN had dealt with Peter previously and is familiar enough with him to positively identify him. Cst. VAN BUUREN identified herself to Peter and advised him that he was being arrested for Uttering Threats due to concerning Facebook messages that he had sent the previous night. Cst. VAN BUUREN walked with Peter back to her police vehicle where Peter sat in the back seat.

At 1620hrs Cst. VAN BUUREN read Peter section 10(a) of the Charter of Rights from a formatted card. When asked if he understood, Peter stated "ok".

At 1621hrs Cst. VAN BUUREN read Peter section 10(b) of the Charter of Rights from a formatted card. When asked if he understood, Peter stated "yes". When asked if he wanted to contact a lawyer, Peter stated "not at the moment".

At 1621hrs Cst. VAN BUUREN read Peter the Official Warning from a formatted card. When asked if he understood, Peter stated "ok".

Cst. VAN BUUREN then reviewed the Undertaking Given to a Peace Officer with Peter. Cst. VAN BUUREN explained the document and each of the conditions in detail, including the importance of following each of the conditions and the repercussions if he were to breach. Cst. VAN BUUREN then had Peter read and review the

document on his own. Peter finished reviewing the document and signed it. Cst. VAN BUUREN signed the bottom and provided Peter with his copy.

Cst. VAN BUUREN then reviewed the Promise to Appear with Peter. Cst. VAN BUUREN explained the document, the court date, location and fingerprint date and location to Peter. Cst. VAN BUUREN explained to Peter the repercussions should he fail to appear and had Peter read and review the document himself. Peter signed the bottom and handed it back. Cst. VAN BUUREN signed the document and provided Peter with a copy. Cst. VAN BUUREN then advised Peter he was free to go at let him out of the police vehicle.

At 1630hrs Cst. VAN BUUREN departed Peter's residence and signed the Statement of Service once back at the Sidney/North Saanich RCMP detachment.

- a private message over Facebook from Peter;
- most of it was long winded and incoherent;
- Peter went on about hearing devices in his ears that caused him physical pain;
- Peter blamed for this;
- Peter threatened to stab him with a razor blade;
- he has not received any direct messages from Peter, but Peter is still posting about him on Facebook;
- Peter was an excellent employee at the time;
- Peter may have had problems with alcohol then;
- Peter now claims to be transgendered,
- Peter had Schizophrenia;
- there are videos of Peter smoking meth online;
- not know Peter to have a history of violence;
- Peter to get help.

ATTEMPTS AT INTERVENTION:

Cst. VAN BUUREN has consulted the Integrated Mobile Crisis Response Team (IMCRT) at length regarding Peter's escalation in behaviour. Peter is reportedly in between Doctors, on a mix of different medications that he admits he is not taking as prescribed, and adamantly denies having any kind of mental health issue or diagnoses. Peter has previously been apprehended under the Mental Health Act, however he has not followed through with any suggested treatment plans and admits to using illicit drugs including GHB and methamphetamine.

Cst. VAN BUUREN has spoken with Peter who does not accept that he has a diagnoses and appears to be so well versed with the mental health system that he is able to avoid any sort of intervention. Peter will come across as reasonable and coherent when he is dealing with police or a doctor, however he reportedly later lashes out, often

UTTER THREATS AGAINST PERSON

over social media. Cst. VAN BUUREN has suggested to Peter that he seek help from his Doctor, however this suggestion was not well received.

Peter lives in a garage type outbuilding on his parents property. Cst. VAN BUUREN has attended Peter's residence on several occasions and observed that he has wiring wrapped and hanging from the exposed beams in the roof, drug paraphernalia scattered throughout, multiple video cameras set up on the exterior and roof of the building and fabric hanging in the windows with what appear to be aliens drawn in them. Peter states that he is currently unemployed, spends his days going for long walks and often does not sleep at night.

POLICE RECOMMENDATIONS:

Peter has 40 documented police contacts which are a mixture of mental health, drug and traffic related files. Over half of Peter's entries (22) have occurred since 2015, with six entries in December 2016 alone. It is unknown what has caused this escalation, however it is clear that Peter's behaviour has become concerning enough to multiple people that police intervention has been sought on several occasions. Although this threat was received via Facebook, Peter makes reference in several of these files and it's apparent that Peter feels has wronged him in some way. This fixation does not appear to be fleeting in nature.

Peter was charged and convicted of Fail or Refusal to Provide Breath Sample contrary to S.254(5)CCC in 2015 and Impaired Operation contrary to S. 253(a)CCC in 2006.

Cst. VAN BUUREN is recommending Peter be charged with one count of Uttering Threats contrary to S. 264.1(1)CCC and that Peter be required to report to a Bail Supervisor and referred to forensics for further assessment.

Please be advised that the court date on the Promise to Appear was dated February 15th, **2016**, thus an endorsed warrant is requested.

Statement transcriptions to follow.

Respectfully submitted,

Cst. VAN BUUREN 241526 Sidney/North Saanich RCMP 250-656-3931

and to attend thereafter as required, to be dealt with according to law / et d'être présent(e) par la suite selon les exigences du tribunal, afin d'être traité(e) selon la loi.

- I also promise to appear on / Je promets également de comparaître le
Date 2016-FEB-15 at/a Time 9:00 a.m./ heures at / à Police station Sidney/North Saanich RCMP

for the purposes of the Identification of Criminals Act. [Ignore if not filled in] / pour l'application de la Loi sur l'identification des criminels. [Ne pas tenir compte de cet alinéa s'il n'est pas rempli]

I understand that failure without lawful excuse to attend Court or to appear for the purposes of the Identification of Criminals Act in accordance with this promise to appear is an offence under subsection 145(5) of the Criminal Code.

Subsections 145(5) and (6) of the Criminal Code state as follows:

- "(5) Every person who is named in an appearance notice or promise to appear, or in a recognizance entered into before an officer in charge or another peace officer that has been confirmed by a justice under section 508 and who fails, without lawful excuse, the proof of which lies on the person, to appear at a time and place stated therein, if any, for the purposes of the Identification of Criminals Act, or to attend court in accordance therewith, is guilty of
- an indictable offence and is liable to imprisonment for a term not exceeding two years, or
 - an offence punishable on summary conviction.
- (6) For the purposes of subsection (5), it is not a lawful excuse that an appearance notice, promise to appear or recognizance states defectively the substance of the alleged offence."

Subsection 502 of the Criminal Code states as follows:

- "502 Where an accused who is required by an appearance notice or promise to appear or by a recognizance entered into before an officer in charge or another peace officer to appear at a time and place stated therein for the purposes of the Identification of Criminals Act does not appear at that time and place, a justice may, where the appearance notice, promise to appear or recognizance has been confirmed by a justice under section 508, issue a warrant for the arrest of the accused for the offence with which the accused is charged."

Je comprends que l'omission, sans excuse légitime, d'être présent(e) au tribunal ou de comparaître pour l'application de la Loi sur l'identification des criminels en conformité avec la présente promesse de comparaître constitue une infraction en vertu du paragraphe 145(5) du Code criminel.

Les paragraphes 145(5) et (6) du Code criminel s'énoncent comme suit:

- "(5) Est coupable:
- soit d'un acte criminel et passible d'un emprisonnement maximal de deux ans;
 - soit d'une infraction punissable sur déclaration de culpabilité par procédure sommaire,
- quiconque est nommé dans une citation à comparaître ou une promesse de comparaître ou dans un engagement contracté devant un fonctionnaire responsable ou un autre agent de la paix et qui a été confirmé par un juge de paix en vertu de l'article 508 et omet, sans excuse légitime, dont la preuve lui incombe, de comparaître aux lieu et date indiqués pour l'application de la Loi sur l'identification des criminels ou d'être présent au tribunal en conformité avec ce document.
- (6) Pour l'application du paragraphe (5), le fait qu'une citation à comparaître, une promesse de comparaître ou un engagement indiquent d'une manière imparfaite l'essentiel de l'infraction présumée, ne constitue pas une excuse légitime."

L'article 502 du Code criminel s'énonce comme suit:

- "502 Lorsqu'un prévenu à qui une citation à comparaître, une promesse de comparaître ou un engagement contracté devant un fonctionnaire responsable ou un autre agent de la paix enjoint de comparaître aux temps et lieu y indiqués, pour l'application de la Loi sur l'identification des criminels, ne comparait pas aux temps et lieu ainsi fixés, un juge de paix peut, lorsque la citation à comparaître, la promesse de comparaître ou l'engagement a été confirmé par un juge de paix en vertu de l'article 508, décerner un mandat pour l'arrestation du prévenu pour l'infraction dont il est inculpé."

Je comprends que cette promesse m'est opposable jusqu'à ce qu'elle soit annulée ou modifiée.		
Je comprends que l'ommission sans excuse légitime d'être présent au tribunal en conformité avec le présent engagement constitue une infraction prévue au

Author: **125142 FERGUSON, DUNCAN**

Related date/time: **Friday, 2016-Dec-30 18:22**

2016-12-30,

MONETTE, was acting strangely.

MONETTE has positioned video cameras on top of the carriage home that he lives in and garbage has been coming over the fence about MONETTE's actions with the video camera.

Cst. FERGUSON then consulted with IMCERT by phone. Cst.'s D. FERGUSON and van BUUREN attended with IMCERT's on duty member and mental health practitioner to MONETTE's dwelling. MONETTE presented as having a clear mental disorder, but not as a clear threat to himself or others. The decision was made by the IMCIRT members to have their on staff psychiatrist attend to MONETTE hopefully in the near future and assess whether he can be subject to a Form 4 apprehension.

Concluded here.

out
yelling angrily at approximately 00:30 hours last night.

Of note to further investigations Peter
MONETTE who suffers from schizophrenia, often off his medication. MONETTE
has not been assessed as a risk to himself, and IMCERT is involved with
monitoring and assisting him. There is nothing to link him to this file or
the other

MONETTE's house does not have a view of the incident and the time of the
yelling doesn't match the smashing sound heard around 4 am
so Cst. de PASS did not see the value in disturbing MONETTE at this
time.

Subject: **CHECK WELL BEING**

Author: **228168 4303 - JACKSON, ROBERT**

Related date/time: **Thursday, 2017-Mar-09 20:48**

On March 9, 2017 at 1930 hrs, Sidney North Saanich RCMP received a CPIC from Victoria Police Department to check the well being of Peter MONETTE of 8985 East Saanich Road, North Saanich. VicPD received a long rambling email from MONETTE outlining wrong doings experienced by him by various people. MONETTE does not state he wants to hurt himself or anyone else. Cst. Robert JACKSON spoke with EMCRT regarding MONETTE and stated they are aware of him. It was suggested to Cst. JACKSON by EMCRT that a copy of the email sent to VicPD by MONETTE be provided to MONETTE's family doctor, Dr. Andre DUTOIT from the Central Saanich Medical Clinic. Cst. JACKSON attended MONETTE's address and was not able to get anyone to answer the door to MONETTE's residence, located behind his parents home in a carriage home.

On March 10, 2017

demeanour was not out of the ordinary.
was not wanting to hurt himself and didn't want to hurt
anyone else.

Concluded.

Comments/Questions:

i would like you to deal with the matter of my being tormented for the last 12 1/2 years by dave mcgillvry and al rose, a crime that was originated with several other people, one of which i tried to get a restraining order served to at the time, only that never occurred due to the lies of several men on her behalf and people like dave mcgillvry specifically having lied to my detriment countless times in countless formats, using my name freely in acts of defamation that he could never put his name to just to enable them to make private facebook groups that were oriented around my being ridiculed while i

was being tormented in my home, an exploitation of a medical condition i have that allows me to hear ultrasonic frequency ranges; as a result of said lies i was put through the mental health system and wrongly drugged with dangerous compounds such as risperidol that of course did nothing to mitigate the persistence of these offensive bigoted assholes' voices being imposed on me 24/7 as they tried to drive me to any detrimental state the weak minded shit could manage by doing things like attackign me for what they perceived as self esteem issues they perceived in me (over the years McGillvray has evaded being held accountable for his actions in harming me and violating my life by telling anyone inquiring into the matter, including law enforcement that i was in his strong opinion mentally ill and assuring them that it was simply unreasonable to regard him as anything but an honest, disinterested kitchen manager) I recently put on facebook, after another incident of him claiming my truthful statements of him on facebook were lies, in which he contacted the police and

tried to tell them i was lying, a bounty of 3000 dollars which was posted in such a way that it was intended to be done as a matter of celebrating specific people in the community for their outstanding qualities of honesty and integrity, and is presented as a matter of 'bring this man in for a polygraph test and 3000 dollars for answering 4 questions will be made available, in efforts to celebrate the honesty of specific people in our lives and to help promote awareness of polygraph and VSA, and as such he and several others listed as candidates for the testing could make 3000 dollars for answering questions of the type that if you answered yes you would have to be one of the biggest assholes walking the Earth today, such as 'have you ever gone out of your way to impose your unwanted presence and communications on another person while imposing yourself on them in their home and tried to justify the harm you had done to them by stating their sexuality was the justification for doing so?' all of them fairly straight

forward yet mysteriously never taken up on by either of the mentioned people who had been listed who would have needed money, yet 3000 for goign into an office and answering 4 questions thsat you would on ly not want to answer if yoy had done sick, petty things to another undeserving human being for being different was not worth it in their eyes, I suppose they must make more than i did when i was working, i dont knwo because of this strange element of my lfe that i was once told to regard as hallucination before certain people puilled their heads out of their asses had been following me to cast art studio for 2 years at thst point to dump their hater bullshit sentiment on me all fdat at work, from the school district parking lt right beside it Ben Cain is another person involved in thes the people doing this shit are varied, I know most of them at this point, and know that most of them were not doing what they had for reasons that were inherently malicious but of the involed severak of the long term members were such disgusting bigoted cunts in terms of their

behavior, the sentimnent they expressed which i was forced to listen to regardless of my wanting to or not as the scumbags were using ultrasound transduced audio to manipulat

I have been cheated of justice for over 12 years by a group of people that exploited a medical condition that allows me to hear ultrasound and tortured me with transduced sound while lying to the world to my detriment and makign my life terribly worse via slander. They also utilized the fact that this was initiaklly allowed to happen by Ritchie Li havign made mistakes in the initial investigation that woulk dhave gotten m=him in trouble, and his not wanting to address the matter after i had wrongly been taken to the mental hospitral over people that were real as opposed to hallicinatory was also a major factor in their ability to do these horrible things to me

I will stress the fact that the following people, involved in this matter from the outset and present even as i write this document are guilty of attempting

murder, trying to drive me to a nervous breakdown essentially, or any detrimental end they coud manage to push me towards as they utilized the exploitation of this medical cpondition to force their transcoded speech on me, saying only petty bigoted

Al Rose (the former doorman at Hush niteclub in Victoria BC) Dave McGillvry (a kitchen manager at Victoria International Airport white spot)

Li lies to me about his mistakes playing a role in my wrongly being processed through the mental hospital system in walking out on valid evidence i had when attempting to get a restraining order on Killoran Gordon and leavign me to be tortured by these slanderous dirtbags for the ast 12 years:

<https://drive.google.com/file/d/0Bx493dP3sq0TUGNDWW54ZGVBWEE/view?usp=sharing> this data is a reording of my being attacked with directional ultrasound, much as i reported it as my having suspected to be the case almost 13 years ago

when this matter first began (the torture i have lived through daily for over

a decade largely because Sidney RCMP officer named Richie Li walked out on valid evidence which was court admissable and closed a case leaving me to suffer as the responsible party got away with the lies the told law enforcement and continued telling lqaw enforcement over the years, Dave McGillvry specifically has told the world, in respect to both the public and police that I was mentally ill and concocting stories of hgis abuse to mitigate any interpherance with what they were doing to me while turning around to make private facebook groups based on ridiculing me as they abused me in my home; this was not a matter isolated to my home however as these dirtbags stalked me to work on a daily basis, and continued doing so just to covertly dump hatred on me via directional ultrasound which is what you hear in this file of them applying this gross shit to me while i tried to sleep in a tent covered with mylar

<https://drive.google.com/open?id=0B8XFpkNbAsbzNTZLX0RKdUpocW8>

<https://drive.google.com/open?id=0B8XFpkNbAsbzdlNYVXJwUllrMWs>

this man, McGillvry will try to evade justice by yet again launching character attacks on me personally, he has lied to law enforcement at least 3 times in the last decade to my detriment as these pigs went about abusing me in my home and elsewhere and he generally does so following the same patterns

of: claiming that i am concocting the stories of my hurting him with claims that

i was doing so in accordance with my being insecure with my sexuality, due to my being some manner of out of control drug user, etc; i am station in all seriousness while of sober mind and medically verified sanity that dave mcgillvry is a dangerous lying scumbag and a threat to anyone in this society that he thinks himself liable to get away with doing like activities on, please take that seriously and investigate this monster as I offer this information after being tormented by this pig for 12 years and knowing that he

lies to police

officers, and on top of this offer you my willingness to go

into a mental hospital of my own volition if he is properly investigated for once and can prove himself innocent, he has simply lied to everyone to date who more or less bought into it due to his pointing out differerances in myself that he highlighted in a negative light, statign these perrsonal problems of mine were the source of mental abberattions that caused me to start tellign rumors of him abusing me, which was never the case, and beyodn that simply talking to people in an overly confident toen of voice to suggest to people that he was of course inncoent, a good person, and that i was in fact a crazy person, just as they had tried to sp[in this matter from the very outset of polcie involvement; i can prove the reality of this matter from day 1 onwards, and always could but reopening the case after Ritchie Li fucked up became more or less impossible, and i was subject to being tortured with ultrasound non stop from the moment he walked out onwards, and that was just cold blooded abuse designed to drive me to suicide that lasted 4 years or so

straight, but never really stopped, i just had an epiphany after that long and

stopped fearing anything; please take this seriously, I can offer the contact information of two medical practitioners that will vouch for my mental health, which were contacted as these people were trying to have me wrongly committed to write off my credibility by putting me into a mental hospital; There was an attempt last year, as a freedom of information act request i got back showed in a police report by these people to have me committed in which a Dr Voon lied on police reports when i was taken from my house on a blank directive order for an incident in which i did nothing.

Both the Doctor and the RCMP officer in this incident were friends of Killoran Gordon, the person who more or less orchestrated this decade + series of abuses to my life, largely done by slandering me at length, she is the daughter of Brian Gordon, the MP so i dont know if it had some influence

Peter

yelling and swearing through the day and night as well as finding broken glass and various garbage thrown over the fence

Peter suffers from Schizophrenia.

Cst. VAN BUUREN consulted IMCRT on this matter, however Peter has not been seeing a doctor regularly and it is believed that his mental health issues and addictions are currently going untreated. Although Peter's behaviour seems to be escalating it does not meet the threshold for a S.28 MHA apprehension.

Peter refuses medical care and does not believe he has a problem. does not know how to make Peter stop.
it is likely that someone will have to pursue criminal charges at some point to have Peter mandated to take steps to maintain his mental health.
Concluded.

On April 10, 2017

a nuisance, throwing wine bottles over the fence.

Peter MONETTE is in fact a mental health sufferer, and a client of IMCRT. Cst. de PASS confirmed that this situation was not normal and unlikely to resolve itself.

Cst. de PASS attended MONETTE's residence, MONETTE was home. Cst. de PASS knocked and called out multiple times but MONETTE did not respond.This is an ongoing By Law issue with many facets. Due to MONETTE'S recent Mental Health issues, one of which is clearly articulated by Crown (on a separate file) as a mitigating behaviour factor, Criminal proceeding would likely be unsuccessful. In light of this Cst. de PASS has reached out to North Saanich By Law, meeting with them to inform them of the situation. They were advised of the ongoing noise issues and the fact that MONETTE is living in the garage which is not zoned or up to code for habitation. By Law has taken on the investigation,

File concluded.

Author: **086527 DE PASS, MEIGHAN**

On April 19, 2017 to determine if he had been able to discuss the bottle throwing with Peter MONETTE. No answer. Message left requesting call back.

At 13:15 hours, Cst. de PASS called IMCRT that while they have multiple contacts documented, they need MONETTE through the courts to get him into a forensic evaluation. His most recent assessment stated a Psychosis non specific. This is because MONETTE does so many drugs they cannot determine if there truly is an independent mental health issue. a dozen calls they have received from the Sidney RCMP since last December. She explained that MONETTE refuses treatment and is clearly refusing to change his behaviour. When he goes into the hospital under a 28 apprehension he knows what to say to get released.

MONETTE told the psychiatrist in his last assessment that he uses alcohol daily, 20 ml GHB daily (he buys it by the litre), crystal meth and then smokes heroin sometimes too. MONETTE is basically sitting around drinking, getting high, going into / maintaining a state of psychosis which is disturbing 1 He is noisy almost every night and the bottle throwing is dangerous. It is only a matter of time before he hurts someone.

Cst. de PASS requested that IMCRT provide some supporting documentation regarding their interactions. Cst. de PASS had a phone meeting planned for May 4, 2017 upon her return to duty

SUI

-compiling list of calls within the past two years at least;

-evidence from IMCRT;

-contact North Saanich and determine if the parents for the noise/unsightly premise;

can be held financially responsible

-prepare and submit RTCC for Mischief

On July 8, 2017 Cst. de PASS ran MONETTE and saw that he was arrested on Jun 29, 2017 under the Mental Health Act. This was the end game all along, getting him in for help. Having a recent EDP arrest also confirms the concerns of IMCRT regarding mental culpability in the Cause a Disturbance charge theory.

all has been quiet since the 30th.
the day yet prior to his apprehension MONETTE was still out at night. Due
to the concerns about mental health compromising the Criminal charge, Cst. de PASS will
forward a letter to the District of North Saanich requesting they inspect the suite located at 8985 East Saanich Rd.

Narrative: SYNOPSIS - 1

Subject: **MENTAL HEALTH**

Author: **151571 JOHNSON, BRUCE**

Related date/time: **Thursday, 2017-Jun-29 23:12**

June 29th, 2017 at 1918 hrs, EHS contacted Sidney/North Saanich RCMP to assist with a male, Peter MONETTE, who requires medical care and is refusing to go to the hospital. Members attended and were advised by EHS that MONETTE was displaying odd behaviour, was talking about being radioactive and being able to hear radio waves. MONETTE is a self-confessed meth addict and used as recently as June 28th. MONETTE had initially contacted EHS after he suffered from severe chest pain and briefly blacked out. EHS stated that it was imperative he attend the hospital to be assessed further; however, he had locked himself in his garage. Cst JOHNSON was able to get MONETTE to open the door and talk with police. MONETTE still refused to attend the hospital and was subsequently apprehended under section 28 for his wellbeing. MONETTE requested to speak with a lawyer and a call was provided to Legal Aid at the hospital. MONETTE was later certified by Dr PENNER and taken to the Physiology department. ED522 completed, No further police action required, file concluded.

Narrative: SYNOPSIS - 1

Subject: **SERVE SUSPENSION NOTICE**

Author: **128728 FLETCHER, BRIAN**

Related date/time: **Wednesday, 2017-Aug-23 01:14**

2017-08-23 0015 hours, Cst. FLETCHER observed an electronic bike being driven west on Weiler Ave near Canora Rd with no tail light illuminated. Cst. FLETCHER conducted a traffic stop and the driver produced an expired BCDL in the name of Peter MONETTE. Cst. FLETCHER had the driver removed his full face helmet, compared the photo and was satisfied they were one in the same. Checks showed that MONETTE was to be served a driving notice of suspension under section 232(3)(b). Cst. FLETCHER completed the notice and served MONETTE a copy. MONETTE's licence was seized and forwarded to ICBC along with a copy of the suspension notice. MONETTE was warned about repairing the tail light.
